Over 90 percent of our customers are repeat customers. This year our Angus bulls average gain was 4.37 and our Charolais bulls average gain was 4.19 for the first 84 days. This was done on a high corn silage ration with free choice of hay. We feel this group of bulls may be one of our best yet. We encourage you to take a look at this nice set of bulls. You pick um and we will keep the bull until May 1, 2025.
